

DUE TO THE FIRE AT THE PROUD BIRD

The Christmas Banquet will now be held at the Hacienda Hotel and Restaurant, 525 N. Sepulveda Blvd., El Segundo, on Thursday, December 13. No-host cocktails start at 6 PM and dinner is served at 7:30 PM.

The Hacienda Hotel is just south of Los Angeles International Airport on Sepulveda.

This is the same day and time as originally scheduled. The menu and entree selections will be comparable.

Directors: Don Bostrom, N6IC; Jim Rafferty, N6RJ; Chris Williams, KG6AR *
Membership: Len Gerardi, NC6H * Bulletin Editor: George Morris, W6ABW *

Next meeting: CHRISTMAS BANQUET!!! SEE BELOW FOR DETAILS

CHRISTMAS BANQUET

As announced in the November Bulletin, the annual SCDXC Christmas Banquet will be held on our usual meeting night, Thursday, December 13, at the Proud Bird Restaurant, 11022 Aviation Blvd., near Los Angeles International Airport. Please plan to join us for a memorable evening of food, spirits, and friendship. Santa has dispatched his elves to gather a truly impressive collection of prizes for deserving DXers. A special prize has been set aside for those whose reservations are received by the Treasurer by December 10. Use the form provided on page 3 and send, together with your check, to the Treasurer, Esther Wolf, KB6HW. There will be space for a very limited number of late reservations at the door, although your choice of entrees cannot be assured at that time.

In addition to prizes and program, the new Club Roster will be available for you to pick up at the Banquet.

The festivities begin with a no host bar at 6 PM. Bring your spouse (maybe she'll be holding the lucky ticket!) and celebrate the holidays with us. We look forward to seeing YOU there.

ELECTION AT JANUARY MEETING

Be sure to attend the January meeting and participate in the election of Club Officers and Directors.

BY4AA OPERATING SCHEDULE FOR DEC

The BY4AA operating schedule for December as passed to W6GYM by VE7BC:

<u>Date</u>	<u>Time UTC</u>	<u>Mode</u>
15	06-22	CW/SSB
16	00-03	CW
16	06-10	SSB
18	00-03	CW
19	06-22	CW/SSB
20	00-03	CW
20	06-10	SSB
22	06-22	CW/SSB
23	00-03	CW
23	06-10	SSB
25	00-03	CW
25	06-10	SSB

Frequencies are: 14050-14100 for CW; 14160-14190 for SSB.

ARRL BULLETIN NR 102

FCC has granted an ARRL request for an extension of comment time on PRB1, ARRL's request for a declaratory ruling preempting local zoning bodies from enacting overly restrictive antenna ordinances. The new deadline for filing is December 24. The League's original filing and instructions for filing your comments is available from ARRL HQ for an SASE with 88 cents postage, ask for PRB1 material. Send one original and four copies of your comments to the Secretary, FCC, Washington, D.C. 20554. The first page of your comments should include the heading, Comments in Response to PRB1.

MINUTES OF THE NOVEMBER 8, 1984 MEETING
By Dan Davitt, N6CGB, Secretary, SCDXC

The meeting was called to order at 8:00 PM by Joe Locascio, K5KT, SCDXC President.

Marty Woll, N6VI, Vice President, then introduced our Guest Speaker for the evening, Wilbur "Bip" Bachman, W6BIP.

"Bip" is the well-known, widely traveled author and lecturer who is the man at the forefront of cures for RFI, TVI and now VCRI. Bip started his slide show and talk with a showing of his home on top of a hill surrounded by numerous neighbors all capable of receiving interference from Bip's KW station. Many forms of interference were discussed along with appropriate cures. Many references to publications were made during the evening, some of those were: 73 Magazine-May 1980 "The Capacitive Coaxial Ground", 73 Magazine-Oct 1983 "Defuse RFI" QST-March 1981 "Meter and Search Coil", QST-May 1981 "RFI Assistance Update", and the ARRL 1981 thru 1984 Handbook for compensation networks with varistors.

Two of the free handouts that Bip supplied were: "Consumer Electronics Service Technician Interference Handbook Audio Rectification" and the "Consumer Electronics Systems Technician Interference Handbook Television Interference". Both of these handbooks are obtainable without charge from: Consumer Electronics Group/Electronic Industries Association, 2001 Eye Street, N.W., Washington, D.C. 20006. A SASE to W6BIP at his call book address will result in information on how to receive the Publication, "RFI-Notes Compiled by W6BIP (Printed as a public service by Eimac)". It was mentioned also that a call or postcard to the local FCC office will result in your receiving their excellent Color Publication and checklist (for neighbors?) covering TVI.

Tex Myers, N6AHV gave us his welcome, monthly, "Rumors Around The Bands".

Art Enockson advised an upcoming station from Thailand, HS6YY.

John Alexander, K6SVL, put out a call for members who wish to participate in this months Phone and CW contests to get their logs and Dupe sheets in as soon as possible.

The raffle tickets were drawn and the winners were: N6CQG, ARRL Handbook; KK6P, Bencher Paddle; N6CGB, Coax Switch; W6EA, Solder Sucker; W6AE, DX Edge; and K6SVL, DX Edge.

FOR SALE:

KLM 40-meter Rotatable Dipole. 200 countries. Stacks great with tribanders, \$80. Contact Bob Kogen, W6DN, (818) 992-6350.
